We are looking to appoint 2 SEND Class Teachers

Starting date September 2024 or earlier.

About the role:

Are you an inspirational Teacher who is passionate about enhancing the provision for children and young people with special educational needs? We are seeking to appoint a Teacher who is committed to providing a welcoming, stimulating learning experience for all the pupils at our academy.

To be successful you will be a creative, positive, nurturing individual dedicated to ensuring that pupils' needs are met, providing them with a positive learning journey and helping them to achieve their aspirations. You will need to have experience of adapting lessons to make them accessible to all pupils while ensuring a high level of challenge. The academy uses the TEACCH approach to underpin the learning environment and curriculum delivery and you will be well supported to use this within your own practice.

This is a fantastic opportunity for a Teacher who wishes to work in a unique environment. The role will expose you to challenging situations involving pupils with significant Special Educational Needs; therefore experience of working with students with Autism would be advantageous.

We welcome ECT applications.

About us:

In return, you will work with inquisitive and enthusiastic students and you will join a team of committed staff who are dedicated to ensuring students are prepared for the years beyond education and are supported to pursue their dreams. The Medeshamstede Academy opened in a new building in June 2013 to provide education for students from 4- 16. There are currently 107 students on roll and they all have autism as their main presenting need. The Academy is on a rapid improvement journey and the new leadership team are working hard to ensure students receive the best education possible.

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and we expect all staff to share this commitment. All posts will be subject to receipt of satisfactory enhanced DBS disclosure, medical and reference checks. All pre-employment checks are in line with "Keeping Children Safe in Education".

In Return:

You can be assured that you will be joining a successful Multi Academy Trust that has a great track record in helping children to succeed no matter what their background. The Trust is dedicated to valuing and developing the workforce whether that be through ensuring a fair workload or offering access to bespoke CPD from the Learning Alliance to enhance professional growth.

That's why we give everyone who joins a Perkbox account – with 24/7 access to perks and discounts, plus curated wellbeing tools to look after your physical and mental health.
